Affiliated Club

On 27th and 28th March Barry and 4 swimmers Charlotte Payne, Megan Holder Hannah Thomas and Charlotte Newman travelled to Ponds Forge for the City of Sheffield Long Course open meet .All the big clubs were there ready for the start of the British Championships on the Monday. Everyone swam well; the atmosphere on poolside was great. Megan Holder swam a great 50m fly gaining a PB. Charlotte Payne also had some good swims making the final of the 50m backstroke and swimming very well in her other races, just missing her PB. Charlotte Newman had a very successful meet, making 4 finals (one of which was the **Open** 50m Back,) and gaining a 200m backstroke PB. But the swim of the meet had to be Hannah Thomas' 50m Freestyle, a fantastic swim resulting in her finally dipping under the elusive 30 seconds. She also set another PB in the 100m freestyle. All in all a very successful meet for Edmonton Phoenix. GO PHOENIX
